Noor Aisya Aina Azahan

Computer Science (Hons) Multimedia Computing Student @ UiTM

⌖ Seri Iskandar, Perak, Malaysia | ✉ aisyaina02@gmail.com | ▦ +6019-5904267 | [LinkedIn](#) | [Portfolio](#)

Summary

Motivated Computer Science (Hons) Multimedia Computing student with experience in mobile app and website development, blending creative and technical skills. Seeking a 3-month internship whether in software development or UI/UX design.

Project

The Ripe Pick – Final Year Project
Android app using image classification to assess fruit ripeness

- Designed and developed a mobile app with a custom-trained CNN achieving 80%+ accuracy in TensorFlow while following Agile methodology
- Trained the model in Jupyter Notebook and deployed on GCP
- Developed the app using Android Studio and integrated model via REST API
- Created wireframes and UI design in Figma for a user-friendly interface

My Portfolio Website – Personal Project
A responsive website created using HTML, CSS and JS

- Design and developed according to ADDIE methodology
- Created wireframes, UI design and website logo in Figma
- Includes multiple dynamic features including website responses to browser size, downloadable item and a gallery carousel

---
